NOTICE TO MARINERS

Notice No.18 Issued 29/01/2010

THANET OFFSHORE WIND FARMS - Notice to Mariners

Mariners are advised of the following diving operations from the vessel Forth Joustier outside the boundary of the Thanet Offshore Wind Farm project. This operation will commence from Sunday 31st January 2010.

Locations:

Close to foundation A04 – approximate location 51 25' 59"N 001 35' 26" E.

Also this vessel and her sister vessel the Forth Fighter shall commence numerous diving operations in field for installation purposes and shall be operating on a 24 hour basis from the 1st February 2010.

Safety:

Due to the safety critical nature of this operation all members of the Thanet Fishermans Association who wish to transit the field must call the Brockelsby on VHF channel 16 for updates on exclusion zones before entering the site.

A mandatory 500m exclusion zone will be enforced around the vessel and her anchors at all time she is stationary.

Enquiries regarding this notice should be directed to marinecoordinator@thanetoffshorewind.com
The Fisheries Liaison Officer (FLO) for this project is Mr. Tom Brown (Tel. 01843594223 / Mob. 07855 409395).

Forth Joustier.
Length 26m. Beam 11.5m. Draft 2.35m
Type: Multicat. Displacement 515 tonnes.
