ELECTRICITY ACT

1989

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997

**THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND)
REGULATIONS 2017**

Notice is hereby given that **Vattenfall Wind Power Ltd**, (“the Company”) with company registration number **06205750**, having its registered office at **Vattenfall, 5th Floor, 70 St Mary Axe, London, EC3A 8BE** has applied to the Scottish Ministers for consent under section 36 of the Electricity Act 1989 to construct and operate a **wind farm generating station with an installed capacity in excess of 50MW to be known as South Kyle II on land south-east of the B741, approximately 3km east of Dalmellington and approximately 7.5 km south-west of New Cumnock, in East Ayrshire Central Grid Reference 253115, 606565**. The installed capacity of the proposed generating station would be approximately **92.4 MW: comprising turbines with a ground to blade tip height of up to 200m**. The proposed development is subject to Environmental Impact Assessment (EIA) and an EIA Report has been produced and was submitted 2nd May 2025 [ECU Reference ECU00003429].

The Company has also requested a direction under section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

The Company has now submitted additional information to Scottish Ministers, which includes information relating to environmental topics with the potential to be affected by the minor project design amendments and the inclusion of the grid route within the project. This additional information includes: Ecology and Ornithology, Hydrology, Hydrogeology and Geology, Landscape and Visual, Cultural Heritage, Noise and Forestry.

Copies of the additional information, the application and the EIA Report (the "Information") are available for public inspection in person, free of charge at:

All previous representations received by Scottish Ministers in relation to the application remain valid.

Any new representations on the variation application may be submitted via www.energyconsents.scot, using the relevant Project Name and/or ECU reference number. Please note that you must be in possession of a working email address to submit a representation virtually.

If you would prefer to submit your representation by post, please send to the Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation. Written representations should be dated, clearly stating the name (in block capitals) and full postal address of those making representations.

All representations should be received not later than **27th July 2026**. Scottish Ministers may be able to consider written representations received after this date.

Any subsequent additional information which is submitted by the Company pursuant to the Electricity Works (EIA) Regulations 2017 will be subject to further public notice in this manner, and representations to such information will be accepted as per this notice.

Where Scottish Ministers decide to exercise their discretion to do so, they can cause a public inquiry to be held.

Scottish Ministers will determine the application for consent in one of two ways:

- Grant consent, with or without conditions attached; or
- Refuse the proposal.
